

AGE PLACEMENT GUIDE

Caterpillar School Bali places children in the correct year group in accordance with British Curriculum guidelines (Finish and British/EYFS & Key Stage 1), as well as academic, social and emotional development. For this reason, new students may be required to complete an appropriate level screener to determine placement and fit.

Children can be admitted to our learning centre during the course of the academic year, subject to a place being available and our school rules and regulations. We welcome children of all nationalities, backgrounds and religions. We have a non-discriminatory approach and celebrate the diversity of Bali. Below is a table showing the age placement guide for the 2024-2025 academic year.
