

ACCIDENT INSURANCE COVER

Parents are advised that **Caterpillar School Bali** does not have Student Accident Insurance cover for children.

If your child is injured at our learning centre as a result of an accident or incident, all costs associated with the injury, including medical costs, are the responsibility of the child, parent or caregiver.

If parents have private health insurance, some costs may be covered through the private health insurance. Any other costs would be borne by the parents.

It is a personal decision for parents as to the types and levels of private insurance they arrange to cover their child for any accidental injury that may occur.

Parents should contact their insurer or an approved Indonesian insurance broker for more information about student personal accident insurance cover for their child.

Emergency Treatment

In the case of an emergency our staff will call health professionals. A senior member of staff will accompany the child to the hospital until the child's parent/carer arrives. We will continue to make contact with their parent/carer if they had not been able to reach them immediately.
